### **Internal barriers to future attainment for pupils eligible for EYFS Pupil Premium**

Children do not enter with knowledge, skills and abilities which are 'in-line' with their chronological age.

The level of developmental delay may require extensive internal support and with EYPP set at just £300 per child this is challenging in the face of wider financial constraints.

### **External barriers for pupils eligible for EYFS Pupil Premium**

- Low attendance: (young children cannot make a choice to attend / not attend & it is not statutory). However, good attendance is important for development and progress, so we would always seek to support this.
- Parental involvement in learning is crucial to support rapid progress both at home and school
- Children's levels of emotional well-being can be a key barrier to their early achievement
- Impact of COVID-19 in terms of children and families well-being and physical health

### **Impact:**

<b>% progress typical or above academic year 2020/2021 All cohort</b>	<b>% Progress typical or above academic year 2020/2021 EYPP</b>
<b>77%</b>	<b>66%</b>
