

# Stockingford Library

Dear Parent/Carer

Now your child is at Stockingford Nursery why not use the library?

Warwickshire Libraries provide a safe, family-friendly environment. Even tiny babies will love to hear you read to them. Sharing books with your child is not only a special time together but also the important start to your child's reading journey. We have lots of ideas of how to get started and what to borrow next.

Joining the library is easy and free and children can join from birth. With a library card your child will be able to borrow up to 10 books to take home to read, use our computers free of charge and find out all sorts of information. Pop in with something with your name and address on and we will be able to give you a ticket straight away.

Every child under 5 is welcome to join our BookTrust Bear Club where you receive stamps every time you use the library and collect certificates.

There is also a rhyme time session for younger children (0 - 4 years). This is a free session on Wednesday from 10am to 11am, term time only.

We also can offer information on many council services. Please ask at reception for more details.

We are open Monday to Friday 8:30am until 5pm.

We hope to see you soon!
